

**On April 1, 2010 - The Census Day
Be Sure - you are counted!**

CLS has signed an agreement with the Census Bureau that we are a partner to Census 2010 that will be conducted on April 1, next year.

Since most members of community are Asians, we feel it is important that we all are aware of the importance that we be counted in this survey. Each year the federal government allocates more than \$300 billion funding to states and various communities. Your cooperation in this matter may help benefit many Asian groups. And also we feel our school being a civic organization, helping this task demonstrates to our children that we take seriously our responsibility as good citizens.
